

Coffee Carts -

Our Coffee Carts are designed to give you yet another alternative of selling coffee to your customers. The Coffee Cart is designed particularly to cater for a compact coffee offer that allows us to operate our specialist coffee business from a regular stationary position. All our Coffee Carts include:

- ❖ Stainless Steel Finish to most internal & external surfaces & benches
- ❖ Lift Up Doors on gas struts and hinges – all with locks
- ❖ Washing facilities with hot and cold running water, filtration and water containers supplying two sinks.
- ❖ Waste water collection container.
- ❖ Lighting for evening operation with down-lights
- ❖ Stainless Steel two group Cappuccino machine
- ❖ Commercial Coffee Grinder
- ❖ Cup Dispensers (two sizes)
- ❖ 60l Fridge for milk storage
- ❖ Electric Hot Water System
- ❖ Filtration System to remove contaminants from the water supply
- ❖ Light Box Display for menu board and or signage.
- ❖ Cash Drawer with lock
- ❖ Radio / CD Player with stereo speakers
- ❖ Complete Electrical circuits with earth leakage circuit protection
- ❖ 2.3m in length + 1.8m fold down ends = 4.1m
